

**Re-Elect
Steve L. Cornish
Anderson Co.
Judge Executive**

As County Judge Executive
I will continue to work toward
the progress and development
for Anderson County that will
best serve the needs
of all its citizens.

Not only do I support and promote the chamber of commerce and all businesses as your county judge/executive, but also as a small business owner myself.

I was partners in a small business in mid 1970's and again late 1970's as part owner of Tile Village Truck Stop and Exxon oil distributorship. I am currently part owner of the oldest realty and Auction Company in Anderson County, Birdwhistell Realty and Auction Inc.

I have a brother who operates his own business here in Anderson County and another brother who owns and operates a Grade A dairy and other agricultural operations in Marion County, Ky.

I know and understand the burdens of trying to operate a small business in a small community. To be a success in any business takes unbelievable dedication and hard work. I admire anyone who makes this commitment not only to themselves, but to their community.

As your County Judge Executive I will continue to work toward the progress and development for Anderson County that will best serve the needs of all its citizens
